

Where is the Library?

- Most of our library resources are available online
- To get to the library home page, go to <http://library.national.edu> or click on the library link from the Faculty Portal or D2L.
- The home page has a search box you can use to get started – you can use it to search for articles, books, or the entire library website.
- If you prefer, you can search using our Subject Guides – NAU librarians and faculty have pulled together relevant subject-specific materials within each guide to give you quick access to materials all in one place.
 - Business
 - General Studies
 - Healthcare
 - IT/Science
 - Paralegal/Criminal Justice
 - Veterinary Technology
- Use the tabs on the top of the library pages to find:
 - Journal articles
 - Books
 - Subject guides
 - Tutorials on using the library and its resources
 - APA information
 - Ask a Librarian reference service
- Links on the bottom of the library home page will take you to:
 - [NAU's Writing Center](#)
 - Learning Express practice tests and tutorials
 - Interlibrary Loan
 - Career support information
